

IONUT G. [REDACTED]

Senior React Developer • Contractor • Freelancer

ABOUT ME

I am a Senior React Developer/ contractor / freelancer with **4+ years of experience**, only interested in remote work.

I use my expertise, skills, and passion to design and implement top-of-the-line software solutions for companies worldwide.

Drop me a message if you think my expertise could help your organization!

WORK EXPERIENCE

Senior React Engineer

Apr 2023 - Aug 2024

Centralized Information System | Natural Gas Provider

The client, a natural gas supplier, was experiencing challenges with decreased employee efficiency and lower customer satisfaction due to the necessity of utilizing multiple external systems.

- **Improved user experience by 10x** by automating customer relations and business operations through implementing modern design user interfaces and simplifying user journeys.
- **Decreased penalty rates and costs by 50%** by developing a core system that serves as the sole source of truth with more modern and reliable solutions for addressing customer issues in time to avoid penalties.

Skills: React, TypeScript, JavaScript, Material-UI, React Query, React Hook Form, React Router, REST API, Zustand, Jest, React Testing Library, Azure DevOps

Senior React Developer

Aug 2021 - Mar 2023

Project Management Tool | Software Development Company

The client, an outsourcing company, desired a customized project management solution specifically designed for their organization, as the existing market options failed to meet their specific needs.

- **Reduced costs by 80%** by implementing custom-tailored solutions that cover client requirements and eliminating the need to use external commercial solutions.
- **Improved efficiency and productivity by 50%** by designing improved streamlined processes and resource management.

Skills: React, TypeScript, JavaScript, Material-UI, REST API, MobX, Formik, React Router, Jest, React Testing Library, Git
